

Ogmore Valley Community Council –

Application for Pant-Y-Wal Wind Farm Funding 2020

Applications are invited from May 2019

Closing date is 30 September 2019 at 5.00 pm

The Pant-Y-Wal Windfarm Community Fund has an allocation of £100,000 p.a. for grants to voluntary and community projects based in the Ogmore Valley. Applicants can apply for a minimum of £200

What can be funded – examples of what grants will support: -

Capital items (for example, games, resources, equipment etc)

Revenue items (for example, trips and entrance fees)

Sessional worker costs (for example, workshop tutors)

Repairs and/or refurbishment to a community building

Start-up costs for new community groups

Out of school activities

Voluntary and community group activities

Community and environmental projects

This list is not exhaustive, and all applications will be given due consideration by the Council

What will not be funded:

Retrospective grants

Replacing statutory responsibility (for example school curriculum activities, road repairs etc);

Political campaigns

Religious campaigns

Religious buildings

Things that could bring the reputation of the Council/Funder into disrepute

Projects that generate income for personal gain

Repayment of loans or debts

Who can apply:

Constituted charities, voluntary and community groups **based** within the boundary of the Ogmore Valley Community Council, except Evanstown, who have their own Wind Farm Funding source . Your group must have a bank account.

The Ogmore Valley Community Council requires the following documents/information with the application

Constitution
Child Protection Policy/Vulnerable Adult Statement
Quotes for items required (or please demonstrate where costs have come from)

To aid the sustainability of the valley, quotations from local services/contractors would be preferred, unless specialist quotes are required

NOTE: If you are unable to provide the above, please apply an interest in the funding so that the Council may assist.

Funding for projects:

Any project applications must outline a plan and demonstrate a benefit for the community or outcomes that will derive from it.

Information to include;

Evidence of community support,
Area where the project is established/planned
Scope of community access (children, disabilities, elderly etc.)
Organisations must be able to demonstrate that the project will provide open access.
